Subject: Comment on BLM new plan for 5000 oil and gas wellw in Converse County WY

To: [blm\\_wy\\_casper\\_wymail@blm.gov](mailto:blm_wy_casper_wymail@blm.gov)

These wells and associated development will create serious and irreversible negative impacts on landowners and our air, water and wildlife. The well being of the people, air, water and wildlife must come before this huge development.
